Public Notice

Date of Public Hearing:

Time:

Place:

The Hawaii State Department of Health, Environmental Protection and Health Services Division, Honolulu, Hawaii is issuing the following notice of proposed action and public hearing under the Federal Water Pollution Control Act and Chapters 91 and 342, Hawaii Revised Statutes.

The Department of Health has received a complete application for a National Pollutant Discharge Elimination System (NPDES) permit and has prepared tentative determinations regarding the permit.

On the basis of preliminary review of the requirements of the Federal Water Pollution Control Act, as amended, Public Health Regulations, Chapters 37, 37-A and 38, and implementing regulations, the Director of Health proposes to issue an NPDES permit to discharge to the following applicant, subject to certain effluent limitations and special conditions:

All interested parties are invited to be present or represented at the hearing to express their views on the proposed issuance of this permit.

Persons wishing to comment upon or object to the proposed determinations may submit same in writing and/or appear at the public hearing. Written comments should be submitted by \_\_\_\_\_ either in person or by mail to:

Hawaii State Department of Health  
Environmental Protection and Health Services Division  
1250 Punchbowl Street  
Honolulu, Hawaii 96813

Oral statements will be received and considered, but, for accuracy of the record, all important testimony should be submitted in writing. Oral statements should summarize extensive written material so there will be time for all interested persons to be heard. It is requested, but not required, that sufficient copies of written material be produced so other interested persons may receive a copy and it will not be necessary for written material to be read at length.

All comments or objections received prior to \_\_\_\_\_ or presented at the public hearing will be considered in the formulation of final determinations regarding the application. Following the public hearing the Director of Health may make appropriate modifications in the terms and conditions of the proposed permit and shall issue or deny the permit. The Director of Health will provide notice of such issuance or denial to any person who participates in the public hearing and any other person who requests to be placed on a mailing list. The notice will briefly indicate any significant changes from the tentative determinations and draft permit.

The permit will become effective 30 days following the date it is issued by the Director of Health unless he grants a written request for an adjudicatory hearing. Requests for an adjudicatory hearing must be filed within 20 days following the notice of issuance, and must meet the requirements of Chapters 91 and 342, Hawaii Revised Statutes. A public notice of any such adjudicatory hearing will be issued not less than 30 days prior to the hearing date. If no adjudicatory hearing is requested, the permit will be issued or denied, as appropriate, and this action will be final.

The application, proposed permit, fact sheet, if required, comments received and other information are on file and may be copied at:

Hawaii State Department of Health  
Environmental Protection and Health Services Division
